

Bonneville Cycling Club General Member Meeting

8/23/2014 at Draper Park

President: Nomination for next year's Board to go through Nominating Committee chaired by Lance Gallegos. Anyone interested in being on the Board can submit names to Lance. Some positions (e.g. President) need to be filled by experienced Board member.

Thanks to all for contributions to picnic.

Vice President: Contact Liesa if you are interested in club clothing. Some sizes and stock will need to be ordered so let her know what you want. Some older ULCER jerseys and other items are at a discount. New members get 20% on item during first year of membership.

Volunteer hours will be placed on mileage page. Send Liesa your hours

Membership: As of end of July we had 486 members. In August we have had 11 new members.

Treasurer: Financials were reported---will be making donation to Huntsman from Little Red as well as donations to the cities/towns involved.

Newsletter: Banquet is planned for February 7th at the Jewish Community Center

Webmaster: New website will be a little easier to maintain. Won't have to be a programmer after it's up. Looking at mid-September for launch.

Road Captain: Coming up on award times. All series except Climb series require 7 rides to qualify for award. Climb series will receive new award.

Last year we had 832 rides total----this year before August 31st we will be at 844--so we could quite possibly hit 1000 rides by end of ride calendar. Would like to see more folks leading rides as there are a couple of RL's doing A LOT of rides.

Members at Large: Bob S---so far 16 people have qualified for climb series. Climb series requires a total of 10 designated Climbing rides and at least 3 different Canyons/Climbs

Christine: follow the BCC on Facebook--we can share pictures and club info/news---send pictures or stories to Christina or Jackie

Michelle--If you are not getting email notices via email regarding club activities and ride cancellations please let the webmaster or membership know and confirm with them your email address

General Members comments: Curt Griffin ---Little Red was a success and we will be donating to Huntsman and towns involved. Next year's LRRH will be June 6, 2015 with the theme Saddle Up and Ride

Penny Perkins: This year's Tricky Treat ride is October 25th and everyone is encouraged to dress up and participate. Prizes will be given.

Discussion regarding how important it is for participants of LRRH to be courteous and safe so that the towns involved will continue to welcome us. As example the town of Weston has asked the MS150 ride to not plan on going through that town next year. These cities and towns have long memories and even though we may have done great this year they remember for years to come if there was bad behavior.
