We had a great group out today for the first social ride for 2016.

Presented the idea of a Masters/Veterans category

Kean Healy: Member at Large

Introduction of email recently sent to all members in regards to mileage credit. There are 4 areas up for discussion.

- 1) In state fee rides
- 2) Out of state fee rides
- 3) Out of state non fee rides
- 4) In state non fee rides- no changes or discussions

A show of hands of members present clearly showed that in regards to in state fee rides, members are for leaving the rules the same. If a fee ride is on the calendar and we have at least 2 members riding then mileage credit will be given.

The show of hands for out of state rides showed support for receiving credit for out of state rides as long as the ride is in the calendar, there are a minimum of 5 members riding, and BCC clothing is worn (except for those with extenuating circumstances). There will not be a limit set on the number of days that credit/mileage will be given for an out of state event.

The board will take the show of hands as well as any comments under consideration at the next board meeting. Please forward any additional comments to Kean Healy, keanhealy@gmail.com
