Dean Zenoni – Ride Captain:

- New ride leader training for prospects who might be nervous to come out to A to Z maybe offer a ride leader refresher clinic.
- Use the start of the ride announcements as a way to discuss any club announcements especially if there is a board member on that ride.
- Possible create weekly ride leader tips.

Iris Buder Jensen – Treasurer:

- Little disappointed and concerned for the low turnout at the general board meeting. Short notice may have been part of it.
- It seems that there are less rider leaders than before and there are certain rides that aren't there anymore. Do we need to reach out to them?
- Create a ride database for Ride GPS BCC page where we have a concoction of all our maps so each ride leader doesn't need to create a map every time.
- Other ride leaders can use this database to create rides if they are unsure how to or use an existing ride to lead.
- Follow up and reach out to new riders after a ride. Not just in the A to Z training but all ride leaders need to be doing this.

Barbara – Membership:

- Possible create a member only log-in account?
- Create an Instagram account?
- Why be a member of the club?

- Create something to send with new membership our Facebook and Instagram account information, etc.

Stacy Walker – Secretary:

- Creating an action sheet to help with keeping track of tasks and who they are assigned to and following up to make sure they have been completed at each board meeting. Will update monthly and send out with board meeting minutes.

Cheryl Holden: - Newsletter Editor:

- Please be more diligent in getting your submissions in by the 15th

Steve Holden – Webmaster:

- Titan is still working on fixing bugs on the Website.

Rexanne – Member at Large:

- Create a memo stating that Rides are available for other ride leaders to grab if the original ride leader is unable to lead. Get this information out so we can get some rides back on the calendar.

Tim Sandall – Member at Large:

- Each month we say we are going to do this or that but we aren't following through on our ideas, we need to make sure things are getting accomplished. Better communication.

Next meeting scheduled at Bob Schultz house on June 20th
