

BCC GENERAL MEMBERSHIP MEETING VIA ZOOM

August 5, 2020 7PM

Welcome from our President-Jackie McGill

Road Captain-Desmond Jensen: I would like to create a committee for designing our annual club jersey. I will send out an email asking for committee members to design next year's DNA club jersey.

Jackie: There won't be club series jerseys this year. I am hopeful about next year.

Lori Schoenwald-Secretary: memberships are on hold until the club starts back up.

Roi Agenta-Communications: Will add this info to the website

Iris Buder Jensen-Treasurer: Not sure about the banquet. It is to be determined.

Roi: Possibility of another committee to discuss and plan for a soft reopening. We are awaiting direction from the state. We need to use common sense in thinking about what limited rides might look like, maybe routes with limited traffic lights to avoid bunching up and rider number limits.

Jackie: We can discuss this at our next board meeting.

Roi: We need guidelines to transition. What if we can reopen in January? We need to be prepared, will alter plan based on conditions, would like to hear member suggestions

Jackie: it all depends on the climate

Janice Mosby-Member: Wasatch Mountain Club is riding with social distancing, maybe we could check their model.

Roi: There is a new group in Park City riding. Will send out email to members for ideas.

Stacy Walker-Membership: Current membership at 302. It will likely stay here until we open. Now new members since April.

Roi: We are still receiving requests to join the club Facebook page. This is still a good asset.

Steve Phippen-Sponsorship: Nothing new to report

Kate Sturgeon-Member at Large: Nothing new to report

Liesa Sandall-Vice President: Nothing new to report

Rikki DeMik-Member at large: I will get to the surveys when we open back up.

Lance Gallegos-member in charge of elections: You can nominate yourself or someone else. If you are nominating someone else, please make sure you have permission from them.

Janice: What is happening with Little Red?

Jackie: Both Penny and Barb have stepped down from their positions. Penny has had 15 years in her position and has been thinking of stepping down the last couple of years.

We are planning on 2021. The board will take over. It will be a big part of what I do whether I'm President or not. Most of the Executive Committee will be coming back and will help with the transition.

Some ideas are planning a smaller version or continue with the normal 3500 riders. Most other rides are smaller. A smaller ride would be easier to accomplish. No more self-serve of food, etc at rest stops. We would have to have packaged food with possible staggered starts. It all may be different depending on how things are after the 1st of the year.

Jackie: Penny's recommendation is to divide her job between 2-3 people, someone in charge of the theme, someone for ambiance and someone for jersey/clothing design and ordering.

If you are interested, let me know. I will add that to my member email.

Maria Fruin-Past President & Little Red Exec Committee member: In talking about the theme, we will be keeping the theme for 2021 the same as 2020. Some things are already in place. This will be an easier transition. The jerseys will be the same. Lots of planning has already taken place.

Jackie: Game time
