Elections are coming up. Now is the time to consider running for a board position. In order to run for President, Treasurer, or Road Captain, you need to have been on the board previously. All positions are otherwise available to everyone. Nominations will go to Lance (info in upcoming newsletter) There will be a special "meet the candidates" newsletter and then elections will run the end of October and into to the first of November

Bike Utah had proposed a partnership with BCC where we would share a brick and mortar clubhouse. The board declined this partnership at this time due to financial constraints. We will still help them with volunteer opportunities, etc.

Membership was asked if they had any comments, questions, or concerns.

One person asked if we agreed with the bike lane structures like those on 300 South.

Deferred to Don who did not believe that they were the best option for bikes.
